we are committed to offer a technical insurance expertise and professional advice to our clients.

ABOUT QATAR BIMA

Qatar Bima International was established in 2008 as an independent insurance brokerage company approved and licensed by the Qatar Central Bank, dealing with Takaful and conventional insurance.

We have built our name over the years by being there when things go wrong, doing everything in our power to ensure our clients' finances do not suffer, and getting things back on track. We are committed to offering technical insurance expertise and professional advice to our clients.

Insurance

MISSION STATEMENT

At Qatar Bima, we provide solutions to impending financial losses. Our foundation is built on trust, strong relationships, and quality service for our clients through effective and efficient support when things go wrong.

WHAT MAKES QATAR BIMA SPECIAL

CLAIMS SUPPORT

Our Team provide our customers with superior's claim handling services by coordinating each case to the respective Insurance partners and assess/settle the case at the earliest time. Giving assurance to our customers that throughout the whole claim process, we are there in every step of the way.

EXPERIENCED TEAM

Our team is our primary competitive advantage. Daily navigation through insurance companies allows for up-to-date knowledge of available services and coverage in the market, as well as the right insurance company for each service, in addition to the best prices offered.

COMPETITIVE PRICE

Our priority is to find the right coverage that matches your situation, so worry no more about the cost, as we can provide multiple options, a wide variety of policy covers, and a range of prices.
